**NOTIFICATION OF
INTERVENTION**

BY THE COMMISSION:

On April 30, 2009, UNS Electric, Inc. ("UNS" or "Company") filed with the Arizona Corporation Commission ("Commission") an application for a rate increases for electric service in the above-captioned docket.

On September 17, 2009, the Arizona School Boards Association ("ASBA") and the Arizona Association of School Business Officials ("AASBO") (collectively "ASBA/AASBO") filed for leave to intervene in the above-captioned docket. ASBA is a non-partisan non-profit organization governed by its members and having more than 240 public school governing boards as members. AASBO is a non-profit professional association providing support and professional development opportunities to individuals whose primary responsibility is the business management of school districts. Both entities state their members have a vital interest in energy issues and costs as Arizona public schools are significant consumers of electric energy and will be significantly affected by the decision in this matter.

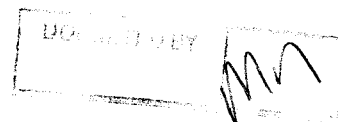

No party objected to ASBA/AASBO's intervention.
